

Free will is a gift of God to bless us

It is part of the image of God we are created in

We are entrusted as stewards of this gift

How we must grieve Jesus when we use this gift to hurt ourselves, others, and to reject God's love for us

How we must bless God when we use this gift to respect and love God and others, to sacrifice ourselves for others, to worship God and honour Him as the giver of this gift and to show Jesus to other people.
